

// CSR.

// TEAM.

// TOUR.

// CORPORATE SOCIAL RESPONSIBILITY.

// THE MORE ADVENTUROUS WAY TO SUPPORT LOCAL CHARITY.

OUR TOURS involve a mornings charity graft, followed by a team building lunch, off roading in the Surrey Hills, and rounded off with a brewery tour and a pint.

SURREY 4X4 TOURS

// THE C.S.R. TEAM TOUR.

Together with our affiliated charity **Change of Scene** our tours are ideal for professionals in HR, Learning & Development and Management looking to inspire their employees through engaging corporate social responsibility programmes. www.changeofscene.org.uk.

We drive you to a local charity farm for underprivileged children, where you'll spend the morning putting in some hard graft. This is then followed by a thrilling drive off road and a fresh air lunch in the spectacular Surrey Hills. Driven in our soft top defenders by experienced, qualified, fully insured hosts with plenty of local knowledge and passion for off roading, we take care of every aspect of your day from pick up to drop off. Our vehicles, with up to 8 seats (inc. driver) plus on board refreshments are perfect for groups, teams or friends looking for fun, adventure and great views. Dogs also welcome!
